Comments and extended discussion

Plan for coming week (please describe as what, who, when)
- Lucas: Working on making sure SQL is functioning properly, make gateways as needed.
- Jonny: Connect to the user service from the frontend (was unable to complete this task from last week) and continue any other frontend integration we need.
- Jake: Continue working on user tests. User auth.
- Garret: Flesh out bloodlines dashboard. Finish first run at coinage and start testing. Add more tests to bloodlines.
- Derek: Complete tests and gateway
- All: -
