Comments and extended discussion

Plan for coming week (please describe as what, who, when)
- Lucas: Finish creating editable table views and get it working on the live site. Work on other any other parts of the front end needing inventory usage.
- Jonny: Finish Browse Beans page (view details, subscription) and then move on to any other pages.
- Jake: Finish refactoring account info components, roaster account page
- Garret: Spring Break means taking a break, probably nothing other than bug fixes.
- Derek: Integrate view subscriptions page with update and delete functionality
- All: -
